Personal Loans

Business loans

We provide advice in relation to products provided by the following companies:

Fees and expenses

Mortgage and lending planning fee

Best Mortgages advisers are usually remunerated by way of commission, by the providers of the loan products we recommend. On occasion, some providers may not pay a commission. In this situation, we will charge a fee for our advice. The fee payable will be a reflection of the time required to obtain a loan approval for you. Where a fee will be payable for the advice, your Best Mortgages adviser will agree the amount of the fee with you *prior to obtaining a lending approval*. This fee can be added to your loan amount and will be paid to Best Mortgages at the time your loan is advanced.

Conflicts of interest

For mortgages and lending, Best Mortgages and the financial adviser receive commissions from some of the lenders we can provide recommendations for. If you proceed to implement lending with the lender recommended to you, the lender will pay a commission to your financial adviser. The amount of the commission is based on the amount of the lending; specific remuneration will be advised to you when advice is provided.

From time to time, product providers may also reward us for the overall business we provide to them. They may give us tickets to sports events, hampers, or other incentives.

To ensure that our financial advisers prioritise the client's interests above their own, we follow an advice process that ensures our personalised recommendations are made on the basis of the client's goals and circumstances, as advised to us. Best Mortgages financial advisers complete regular training, including how to manage conflicts of interest. Each adviser has a regular compliance review of their advice process and our compliance programme is reviewed annually by our external compliance adviser.

Disputes and complaints

If you are not satisfied with our financial advice service you can make a complaint by emailing info@thebest.co.nz, or by calling 021 449 177. You can also write to us at: 12 Bay Street, Matua, Tauranga. When we receive a complaint, we will consider it using our internal complaints process:

- ✔ We will consider your complaint and let you know how we intend to resolve it. We may need to contact you to get further information about your complaint.
- ✔ We aim to resolve complaints within 10 working days of receiving them. If we cannot, we will contact you within that time to let you know we need more time to consider your complaint.
- ✔ We will contact you by phone or email to let you know whether we can resolve your complaint and how we propose to do so.

If we cannot resolve your complaint, or you are not satisfied with the way we propose to do so, you can contact Financial Service Complaint Ltd (FSCL). FSCL provides a free, independent dispute resolution service that may help investigate or resolve your complaint if we have not been able to resolve your complaint to your satisfaction.
